

The Real Review

Bob Campbell, MW

Monte Christo Winery Rosé Pinot Noir 2023

93/100

Moderately deep-tinted rosé with reasonably intense floral/rose petal and raspberry flavours with an attractively creamy texture. Fresh, mouth-cleansing wine with energy and purity.

Monte Christo Winery Pinot Gris 2023

91/100

Delicately aromatic wine with pear, quince, ripe apple, and citrus flavours supported by gentle fruity acidity and fine, peppery phenolics. Nice purity and energy with a lengthy finish.

Monte Christo Winery Chardonnay 2022

93/100

From the Davishon vineyard in the Alexandra Basin. Bright, pristine chardonnay with green apple, grapefruit, oyster shell and subtle nutty yeast lees characters.

Monte Christo Winery Pinot Noir 2022

94/100

A blend of wines from Pisa, Bannockburn, and the Alexandra Basin has resulted in a mix of flavours including floral, fresh herbs, wild thyme, cherry and plum and subtle liquorice characters.

Monte Christo Winery Bannockburn Pinot Noir 2022

95/100

Pinot noir with finesse. Delicately aromatic wine with violet, rose petal, black cherry, anise, thyme and vanilla flavours. Seductive wine that grows in intensity as it sits in the glass and benefits from being aerated.

Monte Christo Winery Alexandra Pinot Noir 2022

94/100

Concentrated wine with ripe plum, glacé cherry, liquorice, anise/spice and an ethereal texture. Seductive, appealing and youthful wine that should mellow nicely with bottle age.

Monte Christo Winery CENTRAL Pinot Noir 2022

93/100

Floral wine with rose petal, violet, dark cherry and thyme/spice flavours. Supple, silken-textured wine. First impression suggests a light-bodied wine but the power builds toward a lengthy finish.
